

# Maintenance Operative

## R B Organic

### Produce World Group – Forres

Produce World Group is a privately owned business which is customer and category focused. As part of the largest expert growers of high quality fresh vegetables across Europe, we are industry leading in sustainable and responsible agronomy, growing and lean supply chain management. Using innovative processes to provide solutions aimed at meeting and generating customer demand and exceeding consumer expectations, our success is driven by our passion for our people and our wide range of products. We are committed to providing our colleagues with a challenging and engaging working environment and offering a truly great place to work.

R B Organic Forres is based in Scotland. We are currently seeking to recruit a motivated and hardworking individual who is able to work as part of a small team. The role will report directly to the Maintenance Engineer and will work with the internal QC and Line Operatives to ensure maximum performance and efficiency of the production line.

#### Key Responsibilities

- Assist Maintenance Engineer in all aspects of Site Maintenance
- Monitor line for blockages / faults / damage etc
- Ensure line is kept in a clean, hygienic and safe state at all times
- Assist with Waste Water Management
- Monitor and manage lifting equipment in accordance with Maintenance Contracts

#### Key Requirements

- Experience in a similar position would be advantageous
- Mechanically minded
- Willing to take part in formal training if required

If you would like to apply for this role, please send your CV to [Lindsay.macgregor@produceworld.co.uk](mailto:Lindsay.macgregor@produceworld.co.uk)
