

Auditor

Sutton Bridge

4 on 4 off shift

£ Competitive, plus benefits

The Produce World Group is a privately owned business which is customer and category focused. As one of the largest expert growers of high quality fresh vegetables in Europe, we are industry leading in sustainable and responsible agronomy, growing, and lean supply chain management.

If you are a motivated and responsible individual who has a passion for delivering customer excellence then this might just be the new role for you.

Reporting directly to the Technical Manager you will ensure the quality, safety and legality of the raw material and finished product in accordance with policies, procedures work instructions and specifications.

Key responsibilities:

- Carry out factory and systems audits (GMP, Internal audits, Traceability, Damage audits, Compliance audits etc.)
- Assess shelf life samples to ensure quality is to a specified standard
- Assist with any quality issues.
- Raise and follow up any non-conformances and carry out investigations to any issues raised.
- Maintain ICE data bases, update technical logs, input programs onto checkweighers.

Key requirements:

- Good communication skills (written and verbal)
- Self motivations, confidence, attention to detail and high level of accuracy.
- To be thorough, conscientious, flexible and able to use initiative.
- To be a team player
- Good computer skills (Microsoft Office, NAV)

If you would like to apply for this role, please send your CV/Application form to the HR team at HRSS@produceworld.co.uk or call 01733 246656. The closing date for applications is 15 December 2018.

Only those successful in being shortlisted for interview will be contacted.
