

2 x Technical Operators – Panama Shift – Yaxley

£9.28 per hour. 77 hours per fortnight

A division of PRODUCE WORLD GROUP

RBOrganic (Produce World Group Ltd) is a privately owned business which is customer and category focused. As one of the largest expert growers of high quality fresh vegetables in Europe, we are industry leading in sustainable and responsible agronomy, growing, and lean supply chain management.

We are currently seeking motivated and hardworking individuals to join our Production team. A brief overview of the role is as below.

Key Responsibilities

As an experienced Technical Operator you will maintain systems and procedures critical to product Legality, Quality and Safety to ensure they are in place and adhered too. You will be responsible for ensuring that the line runs with an emphasis on safety, quality, cost and delivery. Must have experience with machinery.

- the ability to work with your Team Leader, Quality Auditor and Shift Leader to meet strict quality standards.
- the skills to manage the line on a day to day basis and achieve daily performance measures such as OEE and Labour productivity.
- the ability to drive machine efficiencies and ensure all performance measurements tools and processes are utilized fully
- the drive to instill quality consciousness into the team by educating staff about acceptable standards
- a dedicated focus on following all H&S requirements within the area for yourself and your colleagues

Person Specification

- * Good verbal and written English. Strong communication skills.
- * Flexible/positive 'can do' attitude. Good team player.
- * Experience with Navision is desirable
- * Able to work with limited supervision

If you would like more information about the role and to apply, email your CV to janet.shrapel@produceworld.co.uk. Application closing date **31 January 2020**
